The Women Empowerment Cell & Voice of Womanhood of Selvam College of Technology successfully organized the International Women's Day Celebration on 7th March 2026 at the EEE Seminar Hall. The event aimed to celebrate the strength, achievements, and contributions of women while promoting awareness about gender equality and empowerment. It served as a platform to inspire students and encourage them to recognize the vital role of women in society.

The program was graced by Mrs. Kousalya Thamilalagan, B.Sc., Founder & Proprietor of Sri Glow Bridal & Beauty Care, who delivered an inspiring keynote address on “பெண்மைமீது வலிமை!” (Womanhood is Strength). She shared her entrepreneurial journey, challenges, and success story, motivating students to pursue their dreams with confidence and determination. A large number of students from all the departments enthusiastically participated in the celebration. The event witnessed active engagement through interactions, discussions, and appreciation of women's achievements across various fields.

Title: National Conference on Emerging Trends in Electrical, Electronics, Biomedical Engineering & Sustainable Sciences – NCEEEBS 2026

The Departments of Biomedical Engineering, Electronics and Communication Engineering and Electrical and Electronics Engineering of Selvam College of Technology successfully organized National Conference on Emerging Trends in Electrical, Electronics, and Biomedical Engineering on 14.03.2026 at ISDTP Seminar Hall.

The event aimed to Promote Research and Innovation, Knowledge Sharing, Collaboration and Networking. The session was conducted by Er. B. Raghavendran and Er. R. Sasikumar, Directors – Technical of SARA Controls and Automation. The resource person shared valuable insights on current industrial practices, emerging automation technologies, EVs, and the essential skill sets expected from engineering graduates in today's industry.

A total of 300 students actively participated in the event. Students showed great enthusiasm and gained practical knowledge in Understanding recent advancements, Analyze research problems, Demonstrate teamwork and collaborative learning by

interacting with peers, academicians, and industry professionals.

Science and Humanities

- Mathematics and Applied Statistics
- Physics and Material Science
- Chemistry and Environmental Science
- English Literature and Linguistics
- Economics and Social Sciences
- Psychology and Cognitive Science
- Interdisciplinary Research in Science and Humanities

Category

- Undergraduate and Post Graduate Students
- Academic Delegates
- Research Scholars
- Industrialist

Important Dates

- Last Date for Abstract Submission: 06.03.2026
- Acceptance notification: 14.03.2026
- Last Date for Full paper Submission & Registration: 10.03.2026

Registration Fee

- Undergraduate and Post Graduate Students: Rs.500/- Per Head
- Academic Delegates/ Research Scholars: Rs.1000/-
- Industrialist: Rs.1500/-

Registration fees include

- Conference kit
- Conference Banquet and refreshment
- Participation certificate
- All accepted papers will be published in Conference Proceedings.

Paper submission format

- Full text papers with IEEE format in word document (.doc)
- File name: [\[Author Name\].doc](#)
- Submit only original and previously unpublished papers with free plagiarism.

Registration Link
<https://forms.gle/ve9punitBeek12vdA>

Online Payment Link
<https://selvamtech.edu.in/online-fee-payment/>

Spot Registration Available

All accepted and presented papers will be published in the conference proceedings with ISBN number, and selected high-quality papers will be recommended for publication in reputed Scopus-indexed journals, subject to the respective journal review processes with processing fee.

Title: SCT HACK FEST 2026

The Departments of All Engineering disciplines of Selvam College of Technology successfully organized SCT HACK FEST 2026 on 24.03.2026 at the EEE Seminar Hall. The event aimed to enhance technical skills, innovation, and teamwork among students. The session was conducted by Dr. M. Suresh, Ph.D., Co-Founder & CEO, NITINNOV Technologies (P) Ltd., Chennai, and Dr. K. Krishnamoorthi, M.E., Ph.D., Associate Professor, Department of EEE, Sona College of Technology (Autonomous), Salem.

The resource persons shared valuable insights on industry-oriented innovations, emerging technologies, research advancements, and practical applications in engineering and technology. A total of 214 students participated in the hackathon, including 150 external and 64 internal participants, gaining practical knowledge in problem-solving, teamwork, and innovation.

Title: One Day FDP on “Commercialization of Academic Projects through Profitable Patenting”

Selvam College of Technology organized a One Day Faculty Development Programme (FDP) focused on Commercialization of Academic Projects through Profitable Patenting. The session aimed to provide valuable insights into transforming academic research into commercially viable innovations through effective patenting strategies. The FDP was specially designed for SCT faculty members to enhance their understanding of intellectual property novation commercialization, and entrepreneurial opportunities in academia. The Session was led by Dr. M. Kanthababu, Director, Centre for Research, Anna University, Chennai. Dr. Kanthababu shared his expertise on patent filing, innovation management, and the importance of protecting intellectual property. His session emphasized bridging the gap between academic research and industry application. A total of 50 Faculties actively participated in the event.

Title: National Conference on Innovations in Information, Computing, Artificial Intelligence and Technology- **NCIICAIT**

The Departments of AI&DS, CSE and IT of Selvam College of Technology successfully organized the National Conference on Innovations in Information, Computing, Artificial Intelligence and Technology-NCIICAIT 2K26 on 28.03.2026 at ISDPT Seminar Hall. The event aimed to enhance technical knowledge among participants and create awareness about emerging technologies. It also promoted innovative thinking and provided a platform for sharing ideas and research. The session was conducted by Dr.T.Sugirtha,M.E., Ph.D., from the Department of Computer Science and Engineering, Indian Institute of Information Technology, Thiruchirappalli.

The resource person delivered an insightful session covering advancements in artificial intelligence, data-driven technologies, emerging computing trends, and evolving industry expectations

The Departments of Civil, Biotech, MBA, Mechanical of Selvam College of Technology, Namakkal successfully organized NCTMI 2026 on 28.03.2026 at Mechanical Seminar Hall. The event aimed to provide industry-oriented knowledge and bridge the gap between academic learning and industry expectations. The session was conducted by Mr. D. Sundaram (B.E., MBA), Manager – People Function, Vee Technologies, Salem. The resource person shared valuable industry-oriented insights and emphasized the importance of employability skills, professional development, and industry readiness. A total of 90 students actively participated in the event. Students showed great enthusiasm

for future professionals. A total of 500 students actively participated in the event. Students showed great enthusiasm and gained practical knowledge in real-world applications of emerging technologies and industry-relevant skills.

Title: Placement training Program on Devops and MernStack

The Department of Placement training organized a training session in collaboration with Naandi Group on 26th and 27th March 2026. The session commenced with the participation of 118 girl students, aiming to empower them with industry-relevant technical skills.

The training focused on DevOps and MERN Stack technologies, providing students with exposure to modern software development practices and tools. The session was designed to bridge the gap between academic learning and industry requirements, helping students build strong technical foundations.

A total of 118 girl students actively participated in the training session. The students showed great enthusiasm and involvement throughout the program by engaging in discussions and practical learning activities.

Memorandum of Understanding between Selvam College of Technology, Namakkal and SARA Controls and Automation, Coimbatore.

கோவை தனியார் நிறுவனத்துடன் செல்வம் கல்லூரி புரிந்துணர்வு ஒப்பந்தம்

நாமக்கல் செல்வம் தொழில்நுட்பக் கல்லூரியில் நடைபெற்ற புரிந்துணர்வு ஒப்பந்த நிகழ்வில் பங்கேற்ற கல்லூரி செயலாளர் பி. கவிதரா நத்தினி மற்றும் நிர்வாகத்தினர்.

நாமக்கல், மார்ச் 17: மாணவர்களின் வேலைவாய்ப்பு திறன்களை மேம்படுத்தும் நோக்கில் கோவை சாரா கன்ட்ரோல்ஸ் அண்ட் ஆட்டோமேஷன் நிறுவனத்துடன் நாமக்கல் செல்வம் தொழில்நுட்பக் கல்லூரி அண்மையில் புரிந்துணர்வு ஒப்பந்தம் செய்துள்ளது.

இதற்கான நிகழ்ச்சியில் கல்லூரி தாளாளர் செ. பாபு, செயலாளர் பி. கவிதரா நத்தினி மற்றும் நிர்வாக இயக்குநர் ம. கார்த்திக் ஆகியோர் பங்கேற்றனர். செல்வம் தொழில்நுட்பக் கல்லூரி முதல்வர் சு. ராமபாலன், துணை முதல்வர் முனைவர் அ. ஜெகன் மற்றும் கோவை சாரா கன்ட்ரோல்ஸ் அண்ட் ஆட்டோமேஷன் நிறுவ

னத்தின் தொழில்நுட்ப இயக்குநர் கள் பி. ராகவேந்திரன், ஆர். சசிசுமார் ஆகியோர் முன்னிலை வகித்தனர். இந்த ஒப்பந்தத்தின் மூலம் மாணவர்களுக்கு தொழில் துறை பயிற்சி, இன்டர்ன்ஷிப் வாய்ப்புகள், தொழில்நுட்ப பயிலரங்குகள், திட்ட வழிகாட்டுதல் மற்றும் வேலைவாய்ப்பு வாய்ப்புகள் வழங்கப்பட உள்ளன.

மாணவர்கள் தொழில் துறை அனுபவத்தை பெற உதவுவதோடு, கல்வி மற்றும் தொழில் துறை இடையிலான இடைவெளியை குறைத்து, அவர்களின் வேலை வாய்ப்பு திறனை மேம்படுத்தும் என கல்லூரி நிர்வாகம் தரப்பில் தெரிவிக்கப்பட்டது.

The Selvam College of Technology, Namakkal, signed a Memorandum of Understanding (MoU) on March 17th 2026 with a leading industry partner SARA Controls and Automation, Coimbatore to enhance academic-industry collaboration and improve student employability. The agreement focuses on providing internships, skill development training, workshops, and placement opportunities for students across various disciplines. The MoU signing ceremony was held in the presence of key officials including Honorable Chairman sir Dr.S.Babu Selvam Educational Institutions, Dr. B. Kavie thra Nandhini, Secretary of Selvam Educational Institutions, and Mr. M. Karthik, Executive Director, along with senior faculty members and representatives from the partnering organization. Through this initiative, students will gain practical exposure, industry insights, and hands-on training, bridging the gap between academic learning and real-world applications. The management emphasized that such collaborations will play a vital role in shaping students' careers and strengthening institutional growth.

The event concluded with mutual assurance of long-term cooperation and commitment to academic excellence and innovation.

Title: SCT Student Speakers' Forum

The SCT Student Speakers' Forum was successfully conducted in March 2026 with the primary objective of enhancing students' communication, critical thinking, and public speaking abilities. The forum served as an interactive platform where students confidently expressed their ideas, shared perspectives, and engaged in meaningful intellectual discussions. The programme was inaugurated by Dr. A. Jegan, Vice Principal of Selvam College of Technology. In his inspiring address, he emphasized the importance of effective communication, clarity of thought, and leadership qualities in achieving both academic and professional excellence. He strongly motivated students to come forward, voice their opinions, and actively participate in such forums to build confidence and personality development.

Students from nine departments—Computer Science and Engineering (CSE), Artificial Intelligence and Data Science (AIDS), Information Technology (IT), Electronics and Communication Engineering (ECE), Electrical and Electronics Engineering (EEE), Biomedical Engineering (BME), Biotechnology, Civil

Engineering, and Mechanical Engineering — enthusiastically participated in the event.

They delivered speeches on a wide range of contemporary issues, including technological advancements, environmental concerns, social awareness, and emerging global challenges. Their presentations reflected creativity, awareness, and strong analytical thinking skills.

To appreciate and encourage participation, e-certificates were awarded to all participants, while special e-certificates were presented to the winners for their exceptional performance. This recognition served as a strong motivation for students to actively involve themselves and strive for excellence in future events.

Title: Proud Recognition of a Student Startup

A team of students from Selvam College of Technology, Namakkal received an award for their innovative startup ("Startup 11") idea at a recent entrepreneurship event held on March 20. The program highlighted creative and practical solutions developed by young innovator Mr.S.Gokul(Final Year CSE) and encouraged student participation in startup initiatives. The Award and seed money was presented by the Administrative panels the Honorable Chairman Dr.S.Babu., Selvam Group of Institutions, Secretary Dr.B.Kaviethra Nandhini, Executive Director Mr.M.Karthik, Principal Dr.S.Ramabalan, Vice Principal Dr.A.Jegan, Controller of Examinations, Deans,

Placement Officer-cum-Event Manager, Heads of various Departments, Research Coordinator, Admission Officer, teaching faculty members, ISDTP staff, IDC staff, and non-teaching staff. . The event served as a valuable platform to showcase talent, promote real-world problem-solving, and strengthen the culture of innovation among students.

STUDENTS' PARTICIPATION IN INTER-COLLEGIATE EVENTS – MARCH 2026

Selvam College of Technology proudly highlights the active participation of its students in various Inter-Collegiate Symposiums, Hackathons, Workshops, Technical and Non-Technical Events organized by reputed institutions.

A total of 310 students from multiple departments enthusiastically participated in these events, gaining valuable exposure, technical knowledge, and competitive experience.

Students represented the institution in prestigious colleges including:

- Gnanamani College of Technology
- SONA College of Technology
- Kongu Engineering College
- PGP College of Engineering
- Vidhya Vikas College of Engineering and Technology
- Paavai Engineering College
- Karpagam College of Engineering
- AVS Engineering College
- Kongunadu College of Engineering and Technology
- Mahendra Engineering College
- M. Kumarasamy College of Engineering
- JKKN College of Engineering
- Muthayammal Engineering College
- Vellalar College of Engineering and Technology
- St. Joseph College of Engineering
- K. Ramakrishnan College of Engineering
- Coimbatore Institute of Technology
- RVS College of Engineering

STUDENTS' ACHIEVEMENTS IN INTER-COLLEGIATE EVENTS

Selvam College of Technology proudly announces the outstanding achievements of its students who secured prizes in various Inter-Collegiate Symposiums, Hackathons, and Technical & Non-Technical Events conducted by

reputed institutions.

Our students have demonstrated exceptional talent, innovation, and competitive spirit by winning prizes across multiple events.

Students have secured top honors in the following institutions:

- PGP College of Engineering – Achieved 1st and 2nd Prize in Quiz Competition
- Kongu Engineering College – Secured 1st Prize in Hackathon
- AVS Engineering College – Won 2nd Prize in Vibe Coding
- Ganamani College of Technology – Achieved 3rd Prize in Paper Presentation
