

YEARLY STATUS REPORT - 2023-2024

Part A

Data of the Institution

1.Name of the Institution	Selvam College of Technology
• Name of the Head of the institution	Dr.A.Jegan
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	09942099122
• Mobile no	09942231294
• Registered e-mail	principal@selvamtech.edu.in
• Alternate e-mail	iqacordinator@selvamtech.edu.in
• Address	NH-44, Salem Main Road,Pappinaickenpatty Post
• City/Town	Namakkal
• State/UT	TamilNadu
• Pin Code	637003
2.Institutional status	
• Affiliated /Constituent	Affiliated
• Type of Institution	Co-education
• Location	Rural

- Financial Status **Self-financing**
- Name of the Affiliating University **Anna University, Chennai**
- Name of the IQAC Coordinator **Dr.S.Prakash**
- Phone No. **09965912150**
- Alternate phone No. **09942231294**
- Mobile **09942099122**
- IQAC e-mail address **iqaccoordinator@selvamtech.edu.in**
- Alternate Email address **principal@selvamtech.edu.in**

3.Website address (Web link of the AQAR (Previous Academic Year)

<https://selvamtech.edu.in/naac-web/iqac/>

4.Whether Academic Calendar prepared during the year?

Yes

- if yes, whether it is uploaded in the Institutional website Web link:

<https://selvamtech.edu.in/academic-calendar/>

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 2	A	3.15	2016	07/02/2023	06/02/2028

6.Date of Establishment of IQAC

14/05/2015

7.Provide the list of funds by Central / State Government

UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Institutional	AICTE - Grant for Organizing Conference	AICTE	2023-24	195000
IIC	AICTE - Impact Lecture Series	AICTE	2023-24	20000

8. Whether composition of IQAC as per latest NAAC guidelines **Yes**

- Upload latest notification of formation of IQAC [View File](#)

9. No. of IQAC meetings held during the year **2**

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**
- If No, please upload the minutes of the meeting(s) and Action Taken Report No File Uploaded

10. Whether IQAC received funding from any of the funding agency to support its activities during the year? **No**

- If yes, mention the amount

11. Significant contributions made by IQAC during the current year (maximum five bullets)

1. For the better enhancement of quality policy improvements of teaching and non-teaching, the following events were conducted: • Event organized on "National Education Policy 2020" for 48 beneficiaries. • Bureau of Indian Standards, Coimbatore Branch Office conducted the Consumer awareness program for 350 beneficiaries. • Conducted the Seminar on "Career Opportunities in Japan" for 412 beneficiaries. • 17 FDP were conducted for more beneficiaries 2. Fast learners and faculty members were motivated and attended Online Courses • 13 Coursera online course certificates were received. • 11 MOOC online course certificates were received. • Seven Alumni talk series were conducted through virtual mode for the benefit of students. • Totally 875 students successfully completed their internships in reputed companies. 3. As per the New norms of UGC composition & NAAC guidelines, IQAC committee was re-framed (Ex. Committee members, Centralized Exam Cell system, Internal/External structure, etc.) 4. The placement percentage was improved in 2023-2024 after conducting the Employability Skill and Training programme, IT Support & Development Training Programme (ISDTP). 5. MoU with 8 companies were signed in the academic year 2023-2024 for the benefits of students to acquire knowledge in the platform of

placement training, Value added course, Internship etc.

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
1) To submit AQAR 2023-24 2) To Increase the participation in the various programmes organized by other Institutions. 3) MoU with 10 companies proposed to sign with the institution in the academic year 2023-2024. Each department should organize online activities / workshops / FDP in academic year 2023-2024. The average pass % of passed out students should be more than 90%. Our institution collected a stakeholders feedback regarding Employability	1) Acceptance of AQAR 2022-23 2) Many faculty members and students were attended ATAL-FDP, Online & Offline FDP, Workshops, and Short Term Training Programs (STTP) etc in reputed organizations. 3) MoU with 8 companies were signed in the academic year 2023-2024. Through these companies we conducted value added courses and placement support. All the departments' organized online activities/Faculty Development programs/Workshops. The average pass % of passed out UG and PG students in 2023-2024 was 91% and 94%. The placement percentage which was improved in 2023-2024 after conducting Employability Skill and Training Programme

13. Whether the AQAR was placed before statutory body?

No

15. Multidisciplinary / interdisciplinary

The Vision of National Education Policy, to provide high quality education to develop human resources in our nation as global citizens, is well taken by the university. A discussion among the faculty members were initiated on the key principles of NEP such as diversity for all curriculum and pedagogy with technological innovations in teaching and learning, encouraging logical decision making and innovation, critical thinking and creativity. Academic programmes are redesigned to include Multidisciplinary /Interdisciplinary courses as electives. All programmes are designed in such a way that students get maximum flexibility to choose elective courses offered by other Departments. It can be said that the University is proactively working towards implementation of the suggestions given in the NEP.

16.Academic bank of credits (ABC):

The institution preparedness in implementation of Academic Bank of Credits depends upon the guidelines of the affiliated university and Higher Education Department.

17.Skill development:

The Institution is already conducting the skill courses like Value Added Courses as designed by affiliating university from Semester 3 to 7 in various programs. In order to empower individuals to interact confidently and globally through that one vital link language - "ENGLISH", we have started a communicative English course and skill oriented training program with qualified trainers under IT Support and Development Training Programme (ISDTP) to improve the quality of students and enhance the practical skills. Also We tried New Language "Jpanesese" from this Academic Year.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

In order to promote /integrate the local language through, discussions/interactions/ symposiums etc., in local languages which will fetch extra credit to the student. These changes will also increase the employability opportunities for the teachers and subject matter experts of these languages. SCT needs to identify foreign university and sign MOU for exchange of credits between foreign university and colleges.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Outcome-based education (OBE) is an educational theory that bases each part of an educational system around goals. By the end of

the educational experience, each student should have achieved the goal. There is no single specified style of teaching or assessment in OBE; instead, classes, opportunities, and assessments should all help students achieve the specified outcomes. Variety of approaches in teaching Learning process like lectures, seminars, tutorials/workshop/practical and project based learning field work, technology enabled learning internship and research work is suggested. The student learning outcome should be defined in terms of knowledge skills understanding values employability. This institution, being affiliated with concerned university follows the guidelines as and when directed.

20.Distance education/online education:

This institution is already prepared, especially during COVID-19 pandemic situations and teaching learning process through different online modes likewise Google Meet app, Whatsapp, telegram channel, etc., and the whole college campus is Wi-Fi enabled campus and hence no hindrance /obstacle in online education. Even slight relaxation in COVID-19 pandemic situation and accordingly visit of students and faculty members to college from different distant areas, helping them to study e-content for all subjects in all semesters. This institution is preparing to make available all such type of e-content material prepared by faculty members to all students through online mode to meet the future challenges.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Selvam College of Technology, affiliated to Anna University, Chennai, follows the curriculum designed by the University. In the beginning of every academic year, the University chalks out the Academic Schedule and circulates to its affiliated colleges. The Academic Council chaired by the Principal sets the Academic Calendar of the Institution and each department frames an academic calendar marking the events and assessments of the particular academic year. At the beginning of each semester, the head of the departments organize an academic planning meeting to list out the Core course, elective courses and collects the preference of the subject from the faculty members. The courses are allocated based on the preference and experience of the faculty members. Head of the Department assigns the work load comprising both Theory and lab schedule for each faculty member and lecture hours are assigned as per the university norms. Time table coordinators of each department discuss and prepare the timetable for their concerned department considering credit requirement of each subject and finally the master timetable is compiled.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Academic calendar approved by the Principal is continuously monitored by the Head of the

Departments for its effective implementation. The student academic progress is monitored regularly by class advisors, mentors and respective head of the departments. Continuous Internal Evaluation (CIE) is quantified based on outcome of seminars, effectiveness of project works, and performance of internal Assessment test and semester examinations. The institution practices a system of internal assessment of the students with a focus to ensure

uniformity, transparency, high academic standards and quality through Outcome Based Education (OBE) based on the following, Question papers for the internal tests are designed to facilitate the assessment of the attainment of the course outcomes. The internal assessment marks in theory courses are based on two IAT and one model exam in each semester. The exam cell coordinator checks the question paper for the particular course and the answer scripts are evaluated within 3 working days from the day of examination. Improvement tests for the slow learners are scheduled to improve the performance of internal test. After each internal assessment examination, a Class Committee meeting is conducted in the department with the faculty members to assess the level of understanding of the students on the topics covered.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Response:

The institute has a history of strong community outreach through various curricular and co-curricular activities. The institute

always incorporates the crosscutting issues of gender, human values, professional ethics, environment and sustainability.

Gender equality

As a co-educational institute, measures towards gender equality are taken for both the genders in all aspects. The college has Women Empowerment Cell which is formed to redress the grievances of the girl students and promote leadership qualities among women faculty. Equal opportunities are extended to boys and girls to participate in co-curricular and extracurricular activities. Women's Day is celebrated every year with enlightening activities in which well performed girl students in various activities inside and outside the college are awarded by an eminent personality as chief guest.

Human Values

The institution has an Anti-Ragging committee with the Principal as the convener. This committee effectively controls ragging against the fundamental human values and rights. The NSS unit of the institution comprises of students volunteers actively performs social service activities by adopting a village every year. Student volunteers of the NSS extend their service in organizing blood donation camps regularly. Tree plantation, training on fire safety measures and other social awareness campaigns are organized in the institution.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Response: Selvam College of Technology (SCT) has effective mechanism to assess and evaluate students' learning process. To nurture the students and to provide experience, the institution

offers various types of activities and training programs. First year Induction Program The institution gives an Induction program for first year students to introduce the college atmosphere, infrastructure, and academic regulations. They are provided to develop their fundamental knowledge and to improve communicational skills, technical exposure, confidence level and learning skills. The institution evaluates the performance of the students periodically through Internal Assessment Tests, Assignments, co-curricular activities and end semester examination. After assessing the performance of the students through continuous assessments, the students were identified as slow learners and advanced learners. Programmes for Advanced learners To enrich the advanced learner's knowledge, they are encouraged to do online courses in NPTEL Swayam, Coursera and MOOC Courses. They are motivated by regular appreciation and are encouraged to undertake Value added course, to undergo Inplant trainings and Internship programs. Awareness programs about higher studies and placement training activities have been given to them to uplift their career. Besides, they are encouraged to participate in various competitions conducted by other Institutes. Slow Learners are identified and assisted by providing simplified notes, previous semester question papers, Question Bank and coaching classes. Their performance are monitored regularly. Mentors are giving counselling regularly and assisting them in all aspects.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution practices effective teaching methodologies which focuses on imparting multifaceted education. The Institution adopts student centric learning methodologies and follows the curriculum designed by Anna University, Chennai. Teaching Methodologies It provides a blended learning environment which includes conventional teaching methodologies and ICT enabled teaching methods. To elevate teaching and learning process, the faculty members are encouraged to undertake NPTEL online courses, various Faculty Development programs, Orientation programs, seminars/webinars, Short Term Training Programs, and workshops.

Experimental Learning The students are involved in Experimental learning through Practical classes, Industrial visits, Inplant trainings, Internships, Academic projects, and Mini projects. Students experience the theory concepts in classrooms as well as in laboratories. Experimental learning through industrial visits, value-added courses, in plant trainings.. For first year students, Induction Program is organized to nurture them with fundamentals skills. **Participative Learning** The faculty members encourages participative learning through participation in group discussions, seminars, symposiums, conferences, paper presentations, various club activities, quiz activities and enacting role plays. **Problem-based learning** To bring out the creative and analytical thinking, the institution motivates the students to do projects and case study method also provided. internal test question papers are Bloom's taxonomy based and case studies are also promoted.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The institution enhances the learning opportunities and enable the learners to share and transform their knowledge and ideas globally. The Institution adopts student centric learning methodology and follows the curriculum designed by Anna University, Chennai. It provides a blended learning environment that includes traditional classroom education and ICT enabled teaching and Virtual Classrooms. The ICT tools like PPT, Google classrooms, subject

related videos, audio systems, online quiz programs, E-Portal and virtual labs are used which helps to improve their academic performance. Students are motivated to do online courses in NPTEL and other online educational platforms. The institution has E-portal facility which has the access to E-learning materials of all subjects. The teachers can structure their course contents and the E-content is posted on their respective subject virtual (Google) classrooms.

The institution has Digital Library facility and motivates the students to practice self learning. Numerous e-journals and ebooks are subscribed to enhance the technical and research skills of students. The institution has a well-furnished language lab and various licensed software for language learning. The institution helps students to enhance their communication skills by improving their listening and speaking skills through the help of Audio-Visual lessons and E-modules.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and

mode. Write description within 200 words.

The institution has a transparent evaluation process for evaluating student performance. Continuous evaluation process is made through internal assessment tests, assignments, cycle tests, mini projects, academic projects, and seminar presentations. Based on the University's Academic Schedule, the Internal Examination Cell of the Institution prepares the Internal Assessment Schedule and timetable, and the assessment schedule is included in the academic calendar of the institution. The same is circulated to all the classes and it is displayed in the Department, Common notice board, and Classroom Notice board well in advance. The Examination pattern and the system of internal assessment are communicated to the students well in advance by the Internal Examination cell, members of each department, and also by class advisors. Assessment tests are conducted regularly as per the schedule given in the academic calendar. The institution schedules two IATs and one model examination. Changes in schedules, question/mark patterns, timings, methods if any, are immediately notified to the students through noticeboards and also through the respective subject faculty members. The question paper is prepared based on Blooms Taxonomy. After reevaluation of answer sheets, the students' performance are communicated to them and intimated to the parents if needed. The students who are with low performance are given personal guidance by the concerned faculty and mentors. The grievances of the students in the assessment tests, assignments and model exams are rectified in time.

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Internal Assessment Since the institution is affiliated with Anna University, Chennai, it follows the instructions laid down by it to conduct internal assessment tests and end semester examinations. The academic calendar is prepared with internal assessment schedule before the commencement of every semester and published. The institution has a well defined Internal Examination Cell which conducts assessment tests and model examinations. The timetable and hall arrangement details are published and circulated to students prior to the assessment tests. The respective subject handling

faculty members are instructed to prepare question paper with the syllabus coverage prescribed in academic calendar. Head of the Department and the Academic coordinators examine the question paper and approve the same. The syllabus for each internal assessment test is communicated to students well in advance. The institution follows a proper guideline for handling Examination related grievances for both Internal and External exam. The students' issues are resolved with high priority. In the Internal Examinations, the grievances are reported to internal exam coordinator for immediate action. After evaluation, the answer scripts are issued to the students and they are permitted to self-evaluate their answers. The Internal Assessment marks are transparent to students and posted in the University Portal. External Assessment The institution has a centralized University Examination Cell which follows the instruction and regulation issued by the University. It conducts the end-semester examinations according to the schedule and timetable given by the University. The review and reevaluation procedure is followed to rectify the student mark related issues.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The institution follows the curriculum designed by Anna University, Chennai. The University has clearly stated the Programme Outcomes (POs) and Course Outcomes (COs) for all its academic programs and courses. Every department has defined its own Program Educational Objectives (PEOs) and Program Specific Outcomes (PSOs) in alignment with Program Outcomes described by university curriculum. The institution follows 12 Programme Outcomes, 2-4 Program Specific Outcomes and 5 - 6 Course Outcomes. COs and POs are framed by the subject faculty member, Course committee and Head of the department along with subject experts. During Course committee meetings and regular meetings, the faculty members are assisted to achieve the course outcomes with effective teaching methods. The faculty members prepare the lesson plan, internal assessment question papers, quiz activities and experimental activities to attain their respective Course Outcomes. The Program Outcomes (POs), Program

Specific Outcomes (PSOs) and Course Outcomes (COs) are well defined and stated in the institution website, Department, laboratories and in lesson plan of each and every course in all the academic programmes. Internal assessment question papers are prepared with the respective COs to ensure the POs and COs are mapping. The students are clearly made known about the COs of the respective subject during the course's syllabus introduction and in all internal assessment tests.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The performance of the students is measured through the Course Outcomes mapped with Programme Outcomes and Program Specific Outcomes. The Program Outcomes and Program Specific Outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect assessment methods. Direct Assessment includes internal assessment tests, model exam and end semester exams. Indirect assessment includes assignment and quiz activities. The assessment schedule is prepared in advance and notified to the students. The assignments were given to students after completion of the prescribed syllabus coverage. The Principal, Head of the department and Academic coordinators monitor the execution of the respective courses of the faculty members and their timely completion of the syllabus to achieve the outcomes of the course and Programme. Any changes/deviations and grievances are discussed in regular meetings and in course committee meetings and rectified. A detailed lesson plan for each course with its objective and outcomes is prepared and get approved from Head of the department before the commencement of the classes. The final outcome of the course is evaluated from the performance of the students and that is analyzed at the end of each semester examination. The performance is evaluated by forming matrix of POs and COs with the correlation levels: 1. Slight (Low) 2: Moderate (Medium) 3: Substantial (High)

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Selvam College of Technology has formed an ecosystem for research, innovation, collaboration, and entrepreneurship by developing

desirable human resources, taking initiative for the creation and dissemination of knowledge, and establishing state-of-the-art infrastructure. Students are encouraged to actively involved in the application of Technology for societal needs. Necessary support is provided for Documentation, Publication of Research Papers and also for obtaining patents. Awareness meets, workshops, seminars and guest lectures on Entrepreneurship are organized. Students are provided opportunities to directly interact with outstanding entrepreneurs excelling in their field.

The College has established a Research Wing, Entrepreneurship Development Cell (EDC), and Institutional Innovation Council (IIC) to promote innovation and entrepreneurship activities. The outstanding project ideas are identified and encouraged to participate in MSME, SIH 2023, and submit their ideas and projects to funding agencies like MSME, DST, AICTE, TNSCST, and IIC. Through this, we conduct many events about intellectual property rights for our students, and our students have filed more than 15 patents. The College has recognized Research Centers in the departments and this would be an added advantage to the students to develop their Prototypes. Also, our faculty members received research funds from DRDO, DST, AICTE, SERB, TNSCST, IIC, etc.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The college organizes a number of extension activities to promote the institute-neighborhood community and sensitize the students towards community needs. The students of our college actively participate in social service activities, leading to their overall development. The Extension activities are carried out through NSS cell, Special initiatives by the Institute and departments. Institute has registered NSS unit, which takes the responsibility of organising community based activities such as, Tree Plantation, Cleanliness and eye checkup campaign in local villages, Awareness programs on government welfare schemes like Swacch Bharat, Drug abuse, Road safety, Gender issues, Lake and campus cleaning. The Women Empowerment Cell (WEC) and Voice of womanhood committee aims to empower girl students and women faculty through various initiatives. Under its banner, invited talks are delivered by leading career women from various walks of life to create awareness on safety, health, career, and self-employment aspects for village women. Women's Day is celebrated as part of the Gender Sensitization Program. The World Cancer Awareness Day program was conducted to raise awareness among students. Involvement in these extension and outreach activities helps the students develop critical thinking skills and time management. Working outside the college campus and with diversified social groups of people allows students to gain more self-confidence, autonomy, and appreciation for others. These activities help them to become good leaders and well-mannered citizens.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Library Automation Software -Lips i Net 5.0

The Library automation Software Lips i Net 5.0, contains 3 modules, viz Library Main, Library OPAC AND E-Gate Register

1. Library Main Software helps not only to key in the master data of Books, Periodicals, Back Volumes and Library users but also do transaction and taking reports in various formats. Stock verification can be done with the help of latest tools like barcode scanners, RFID etc, for which the feature are in built in the software. Displaying photographs and digital clips are available.

2. Library OPAC (Online Public Access Catalogue) is a separate module, which helps the user of the library to search the Title, Author, Publisher, and Acc. No etc., available in the library. User can reserve the books and or cancel the reserved the books. They can check out his dues and over dues in the library. Provisions for downloading the digital clips and taking printouts of some contents are available. Library resources are made available for the users with some restrictions.

3. E - Gate Register manages the entry and exit of users while scratching his id card to record his visit in the Library.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

1. Selvam College of Technology (SCT) has an effective Student Academic Council with academically strong students as its members. It operates with a sense of responsibility in dealing with the

student concerned activities. 2. The student council consists of students from all departments to get unbiased opinions and suggestions in various decision-making and to formulate strategies for the overall curricular, co-curricular, and extracurricular development of students. 3. The Student Academic Council gets feedback on the teaching-learning process from the departments to improve quality. 4. The hostel Student Welfare Committee looks after the feedback on the Hostel and Amenities. The quality and hygiene of the hostel are monitored by student representatives along with the other nominated faculty members. 5. Student clubs like Hobbies club, Hackathon, and ProductDevelopment cell are actively encouraged in SCT for the welfare of students. 6. In addition to that, the students are involved in organizing Seminars, Workshops, symposiums, Technical fest, Cultural fest, and Annual sports fests. 7. The Alumni Association is in place to strengthen the relationships among alumni. 8. The Association plays a vital role in various institutelevel committees including the Women Development Cell, Anti-ragging Committee, Grievance Redressal, and IQAC committee.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

1. The Selvam College of Technology has a registered Alumni Association. The Alumni Association is enrolled in the Namakkal registration office under the Tamilnadu society's Registration Act, 1075 and the registration number is SL.NO:25/2015. 2. The college website <http://selvamtech.edu.in/alumni> holds the alumni association details. 3. The outgoing students register their membership in the alumni association. 4. SCT conducts alumni meetings every year. Our prominent alumni are working in various fields. Hundreds of alumni members of Selvam College of Technology have been serving worldwide, and occupy eminent posts and positions both in the government and private sectors. 5. The notable alumni share their professional experiences with students and motivate them through various activities like delivering guest lectures, and workshops on career prospects and the current scenario of the industry. 6. The alumni are regularly involved in conducting preplacement sessions for undergraduate and postgraduate students. This helps the students to be updated with current industrial requirements and boosts their confidence to mold themselves toward their future. 7. The alumni used to have a network with the juniors with the help of social media like Twitter, WhatsApp, Telegram, Facebook, and Corporate mail.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Selvam College of Technology, Namakkal, was started in Namakkal town with the aim of preparing educators with glorious knowledge in the field of science and technology along with morality, self-confidence and innovative thoughts.

Nature of Governance: The governance of the institution is effected through the Governing Body of the College. It act as the apex body, which comprises Chairman, Secretary, Principal and nominees from AICTE, DOTE and external experts. All the academic affairs are monitored through the apex body of the College and Finance Committee. Administrative sections include Executive Director, Principal, IQAC team, Heads of the Departments, Academic Coordinators, Faculty members, Various Committee in-charges and Office Superintendent.

Vision: To be a world class institute in technical education through innovations and research in various Fields of engineering and technology by creating highly competent technocrats with moral qualities.

Mission:

SCT will endeavour to:

- Be a focal point in engineering education for emerging technologies in accordance with societal contexts.
- Be an engineering institute fostering research and development, evolving innovative applications of technology, encouraging entrepreneurship of students with moral qualities.
- Empower the students from various socio economic strata.

File Description	Documents

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Professional Management approach is used to manage the Institution. When it comes to academic and administrative issues, the Professional Management programme aims to put the concept of innovation into practise. Decentralization and participatory

management are constantly championed by the institution.

Management, Governing Council, Principal, Executive Director, IQAC Team, Heads of the Department, Faculty Members, NAAC Committee, Various Other Committees, Administrative and Non-teaching Staff and all other stakeholders interested in decentralisation and participative management contribute to improving the quality.

1.Management: The Institution emphasises a decentralised and participatory management that includes all types of stakeholders during the decision-making process.

2.Executive Director: ISDTP, IDC and all other academic and non-academic activities are regularly monitored and guided by the direction of Executive Director.

3. Principal: The Governing Body delegated all academic and operational decisions based on policy to the Internal Quality Assurance Cell (IQAC), which is chaired by the Principal, in order to realise the institute's vision and goal.

4. Administration: The Institutions backbone is administration. The college administration plays a critical role in the establishment and execution of policies, programmes and projects that are aligned with the college vision and mission.

5. Departments: In order to demonstrate their competence, faculty members serve on various committees/cells and are given opportunities to lead various initiatives.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

: The Management, Governing Body, Executive Director, Principal, IQAC has framed the College Organizational Structure.

The College Management is the highest decision-making body and it is in continual contact with the Executive Director and Principal on all topics relevant to the institutions smooth operation.

Governing Council members meet once in a year to review financial, infrastructural, faculty recruiting, and other topics concerning the College overall development.

Academics, Workload, Timetable, Admissions, Discipline and Codes of behaviour, Curricular and Extracurricular parts of the college are all handled by Head of the Institution.

The College also maintains an Internal Quality Assurance Cell (IQAC) that aims to achieve quality, improvement and maintenance of goals. The IQAC is responsible for keeping track of the institutions internal quality.

College Committees: Various committees have been formed to plan, prepare, and execute academic, administrative, and extracurricular activities. The Convenor and members of each committee make up the committee.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Selvam College of Technology has Self-Appraisal Policy for Teaching Staff: The SCT has developed the following objective assessment system for improvement. The three level evaluations involve:

This performance appraisal system will be followed from the academic year 2017-2018.

The intention of a performance appraisal policy is to ensure that the workplace is focused on results. It helps the employees to achieve their goals and acts as a reward for their contributions to the organizations success. Selvam College of Technology strives to improve the academic training and research environment on a regular basis.

This is achieved not only through better infrastructure but also through the implementation of effective teaching and learning methodologies. To determine the effectiveness of the inputs provided by the SCT, it is essential to determine whether the users of such facilities are satisfied and receiving the intended results from the initiatives undertaken.

Selvam College of Technology has Self-Appraisal Policy for Teaching Staff:

The SCT has developed the following objective assessment system for improvement. The three level evaluations involve:

- Result Percentage -(50)

- Contribution to Institutional Growth- (10)
- Contribution to student development - (15)
- Contribution to R &D - (25)

The teaching staff has gained the knowledge and experience with the result of the following assessment policy.

- Teaching style and abilities with the feedback from the students.
- Improvements in teaching resources and methodologies are possible.
- The results of the research and the work's relevance to current advances in the respective areas.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Internal Audit:

Copy of Budget proposals, invoice and vouchers, and supporting documents of every purchase /event is maintained in the respective Departments and the original documents are sent to the accounts Department of the Institution. The accountant of the institution verifies every document, observations if any, is brought to the notice of HODs for immediate rectification. The details of all the expenditures / transactions of the entire financial year is consolidated and maintained at the accounts office and submitted for external audit at the end of the financial year. Appointed Chartered Accountant's team members visit the institution quarterly and verifies all the bills, vouchers, etc.,

External Audit:

The external audit takes place annually after the completion of every financial year. The Chartered Accountant, who works as an auditor, is appointed by the Management. The bills and vouchers of the revenue expenditure are checked. The vouchers, records and

capital expenditure of the concerned Departments are checked and verified.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college mobilizes funds for its regular activities and development from different agencies and individuals. The mobilized fund is optimally used by the college.

Major sources of institutional receipts/funding

- Fees from students for regular and add-on courses.
- Mobilised from various government and non-government sources for the purpose of research projects.
- Various government and autonomous bodies are approached for sponsorships to organize National, International conferences and workshops.

Convenors of various committees and Faculty Members are invited to indicate their requirements at the start of the session to ensure effective and optimal use of available resources. This is to ensure that laboratories, libraries, computing facilities,

classrooms, and equipment facilities are maintained and upgraded on a regular basis. Budget is produced and submitted to the Competent Authority for approval based on the requirements submitted by Committee Conveners and Faculty Members. The accounting section and the Principal will process all financial records and bills. Throughout the process, transparency is maintained, and allocated funds are used to their full potential.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC is responsible for maintaining the quality of the college administrative and academic operations. The teaching faculty is encouraged and motivated to build a scientific temper in order to disseminate a research culture among the students and to make them aware of present and future challenges and opportunities. This is accomplished by sharing new research findings in their respective domains with the students on a regular basis.

Strategies: IQAC shall evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society. Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and functioning of the support structure and services.
- Research sharing and networking with other institutions in India and abroad.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Two institutional reviews and implementation of teaching learning reforms facilitated by the IQAC are: 1. Academic Review 2. Teaching and Learning reforms Academic Review: Every semester, the Academic and Administrative Audit (AAA) is the major teaching-learning review. The AAA assesses how well teaching practises, curricular, and co-curricular activities meet institutional planning, execution, and record-keeping standards. There is uniformity in the conceptualisation of the structure and methods of academic and extracurricular routine in every academic session since the introduction of the AAA. Student interaction in class, engagement in extracurricular activities, and performance on internal assessments and end-of semester exams are all evaluated in the review of learning outcomes. At the audit meeting, each department delivers a report on student academic performance. Teaching and Learning reforms: The IQAC at Selvam College encourages and ensures continual reforms in teaching-learning methodologies. It lays impetus on the adoption of ICT in teaching practices.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Specific facilities provided for women in terms of:

(1) Safety and security

(2) Counseling

(3) Common Rooms

(1) Safety and security

Safety and security for all students, teachers, non-teaching staff and the visitors is the first priority. To ensure a safe campus and a secured environment the college has embarked upon the following initiatives:

A senior and experienced security guard will monitor the environment.

The entire campus is under CCTV surveillance.

Medical Unit with free medical check-up for the students by eminent Doctors.

Separate washrooms for the male and female teaching and non-teaching Staffs.

(2) Counseling

The College is willing to nurture a healthy environment, both physical health and mental health. A separate Career Counseling Cell has started. The counseling cell makes an effort to create awareness regarding their, psychological and physical conditions.

(3) Common Rooms

The College has a girl's common room. There are separate toilets for gents, teaching staff and students. Specific cleaning schedule is given to the house keeping people and followed meticulously. The girl's hostel is managed by the hostel committee, constituted by the staff council of the college and executed by the warden in consultation with principal of the college.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Methods for Waste Management

Selvam College of Technology predominantly focuses on reducing wastages which are hazardous to the environment. The following

waste management systems concentrate on recycling and reducing the wastages.

Solid waste management

Good conditioned Bio degradable and Non-Bio degradable dust bins are placed in and around the college campus to collect and dispose the wastages. Food wastages from hostels and canteen are collected in a proper container and giving it to farms and poultry besides using it to produce biogas.

Liquid waste management

The campus has a well-constructed drainage system to collect and discrete various liquid wastes. The chemical liquid waste from science laboratories passes through a concealed pipe line to drainage and other liquid wastes will be recycled properly and utilised for the gardening and other purposes like used to produce biogas.

Biomedical waste management

These biological wastes must be adequately handled to treat or eliminate the waste hazards are treated by autoclaving, and hot air oven treatment is followed in our campus to achieve this goal.

E-Waste Management

The Campus operates under a sustainable electronics stewardship policy, emphasizing reuse and minimizing waste generation.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

We trust in unity in diversity that's why our students respect different religions, languages, and cultures. We feel the college is our second home and all faculty members are like family members. We greet and wish each other at different festivals and invite them to have a feast to get introduced to one's culture to

have amicable relations and to maintain religious, and communal harmony. The diversity in India is unique. On account of that, SCT encourages students to participate in various programs. Through these programs, students get acquainted with the different cultures of our nation and help to develop tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic, and other diversities. This also creates an inclusive environment in the college and society. Programs like Women's Day, Yoga Day, Pongal Celebration, Ayudha Pooja Celebration, Holi, Deepavali, Ramzan, and Christmas are celebrated in our college. This provides an inclusive environment to interact and perceive different cultures and different religious festivals. Institution strictly follows ethical rules for students and separate ethical rules for teaching and non-teaching staff to treat other people irrespective of their background, culture, religion, and linguistics.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Selvam College of Technology (SCT) celebrates Independence Day on 15th August every year in a grand manner in order to pay tribute to our martyrs and freedom fighters. The grand day starts by God of Honor to chief guest followed by flag hoisting and march-past.

Every year SCT celebrates Republic Day on 26th January respectfully in order to perceive the importance of constitution. The day starts by God of Honor to chief guest followed by flag hoisting and March-past. The chief guest gives keynote address to the students and staff members.

On 5th September, SCT celebrates Dr. Radhakrishnan's birthday as Teacher's Day. The students of SCT conduct program and events for all staff members to pay their respect and tribute toward the profession of teaching.

Every year on 15th September, SCT celebrates Engineers Day to pay remembrance of M Visvesvaraya for his various contributions to the field of engineering and being a pioneer of education. On that day, SCT conducts various programs and motivates students.

Yoga Day celebrates on 21st of June in SCT. During 15 days of induction program the college offers yoga classes to students and encourages them to learn yoga to lead a good healthy life.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice

1 . Title of the Practice Web Enabled Learning Resources through Google Classroom Best Practice

2 . Title of the Practice News in Education (NIE)

File Description	Documents
Best practices in the Institutional website	<p><u>Best Practice 1. Title of the Practice Web Enabled Learning Resources through Google Classroom</u></p> <p><u>2. Goal Online learning Resources through Google classroom are designed to improve the students to stay on top of the daily updates of the curriculum, thereby the students can promote rational thinking and the interaction leads to attain effective classroom. Individual instructor of various subjects will update and upload their course materials and assignment questions in the Google classroom.</u></p> <p><u>3. The Context The college used website-driven learning resources to uplift the students to update on a daily basis. For every subject, the subject instructor will upload the course materials, presentations, question bank, based on the marks in the units' notes, and assignment questions will be updated in the Google classroom. Students can access Google</u></p>

classroom anywhere. As effective learning measure, the subject instructor maintains a forum to prepare students for better understanding through workshops and seminars. The subject instructor will give various topics based on the basic concepts in every subjects and curriculum. In this note, self-assessment like multiple choice questions Google forms questions are assign to students through a Google classroom. The students should upload their answers within given time of the subject instructor. For every student, the subject instructor values their answers and will give score for all the students. So that they can improve the academic writing as well as the content of the subject.

4. The Practice For example, in an engineering curriculum, digital signal processing is an analytical subject that needs more attention to understand basic concepts and facts. Materials are uploaded to the Google classroom for students to use conveniently. Notes and tasks taken in the lesson will be updated on the portal, after which the corresponding tasks will be completed. Students periodically solve this problem, and students will discuss the same during class hours. Faculty members routinely posted hypothesis-based mathematical transformations and methods for solving them in a discussion forum, inviting students to discussion and tracking student perceptions. Students mainly discussed the application of mathematical transformations and the basics of signals and systems.

5. Evidence of Success Considering the case of digital signal processing in the practice of using web-based resources for teaching, which includes many analytical concepts and problems, best practice has been very successful. Student feedback has been accepted to ensure the success of this best practice. The students felt that the convenience of collecting course materials

	<p><u>anytime anywhere was more pronounced. 6. Problems encountered and resources required The effective use of this practice by the introvert student is periodically monitored. 7. Concluding Notes The SCT has determined that using web-based learning is a highly successful way to encourage students to read and prepare for a subject, thereby freeing up more classroom time for active learning exercises.</u></p>
Any other relevant information	<p><u>Best Practice 2 1.Title of the Practice News in Education (NIE) 2. Goal ? To strengthen the reading practice among the students. ? To improve the overall skills development of students. ? To help students develop critical reading skills by teaching newspaper reading skills. ? To Increase students' confidence in participating in intercollegiate quizzes. ? To develop a better understanding of your community, state, nation, and world. ? To develop your critical thinking, reading and writing skills. ? To Refine and develop the decision-making. ? To Improve math and problem solving skills 3. The Context News in Education is a long-standing program that SCT uses to voluntarily bring up-to-date "real World" learning tools to dormitory students. Newspapers were provided to engage students, stimulate creativity, improve reading skills, and enhance academic performance. SCT focuses on encouraging students to read newspapers, learn about their community and lead more successful lives, and be informed citizens 4. The Practice Students who are active in the NIE program have done well and performed excellently. Other positive results of this practice: Students performed better on standard reading tests. ? Helping students improve their English fluency and communication skills. ? Regular use of the</u></p>

NIE program has positively influenced students' attitude towards reading. ? Young people have a desire to read with practical and interesting pedagogical ideas. ? The NIE has helped students develop the reading skills they need for life and they can correlate the subject to the real world. ? It raises student awareness in the fields of science, technology, globalization, economic situation, world affairs, sports, public policy, employment, higher education, and public affairs. ? Increased confidence when reading aloud and public speaking ? Evidence of increased social awareness and motivation to learn ? Evidence of improved academic performance of the students ? Evidence of use correct pronunciation of words and sentence in the given title.

Newspapers are informative and help students compete with their peers in other metropolitan areas for better coverage of current events. 5. Evidence of Success A large number of students from rural areas have taken advantage of the NIE program.

The reading skills of students have significantly improved. The results of the above practice increase the comfort zone of fluency in English and generate a positive response. 6. Resource Required A facilitator was assigned to conduct news analysis and discussion sessions among the students 7. Concluding Notes Reading newspapers is a good practise that places a lot of educational values on it. It carries information on politics, economics, entertainment, sports, business, industry, trade and commerce. Through this habit, it will not only enhance students' knowledge of general information, but also improve their word power, proficiency and vocabulary.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust

within 200 words

Establishment of Continuous Ambient Air Quality Monitoring Station (CAAQMS):

Tamil Nadu Pollution Control Board (TNPCB) is interested in establishing Continuous Ambient Air Quality Monitoring Stations (CAAQM) in Tamilnadu with the participation of the Educational Institutions at 25 locations. It is identified jointly by the TNPCB and Educational Institutions. On account of that, TNPCB has given authorization to Selvam College of Technology (SCT) in Namakkal district for the establishment of CAAQM. In this regard, MoU has been signed on 21st of January 2016 in the presence of District Environmental Engineer, Mr. P. Manimaran for the minimum period of 5 years which will be renewed by another 5 years or more as per the PWD rates at the option of TNPCB.

The instrument has been installed near the main entrance of SCT for the purpose of monitoring air quality in and around the college campus. The station measures the air quality of a radius of 5 km distance and evaluate a total of 16 parameters. The data from the station will help government agencies inform the public regarding the current level of air pollution, formulate strategies, etc., SCT provides telephone connection and high-speed internet connection to the instrument for the transmission of data from this station to TNPCB, Chennai.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Selvam College of Technology, affiliated to Anna University, Chennai, follows the curriculum designed by the University. In the beginning of every academic year, the University chalks out the Academic Schedule and circulates to its affiliated colleges. The Academic Council chaired by the Principal sets the Academic Calendar of the Institution and each department frames an academic calendar marking the events and assessments of the particular academic year. At the beginning of each semester, the head of the departments organize an academic planning meeting to list out the Core course, elective courses and collects the preference of the subject from the faculty members. The courses are allocated based on the preference and experience of the faculty members. Head of the Department assigns the work load comprising both Theory and lab schedule for each faculty member and lecture hours are assigned as per the university norms. Time table coordinators of each department discuss and prepare the timetable for their concerned department considering credit requirement of each subject and finally the master timetable is compiled.

File Description	Documents
Upload relevant supporting document	View File

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Academic calendar approved by the Principal is continuously monitored by the Head of the

Departments for its effective implementation. The student academic progress is monitored regularly by class advisors, mentors and respective head of the departments. Continuous Internal Evaluation (CIE) is quantified based on outcome of seminars, effectiveness of project works, and performance of

internal Assessment test and semester examinations. The institution practices a system of internal assessment of the students with a focus to ensure uniformity, transparency, high academic standards and quality through Outcome Based Education (OBE) based on the following, Question papers for the internal tests are designed to facilitate the assessment of the attainment of the course outcomes. The internal assessment marks in theory courses are based on two IAT and one model exam in each semester. The exam cell coordinator checks the question paper for the particular course and the answer scripts are evaluated within 3 working days from the day of examination. Improvement tests for the slow learners are scheduled to improve the performance of internal test. After each internal assessment examination, a Class Committee meeting is conducted in the department with the faculty members to assess the level of understanding of the students on the topics covered.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Response:

The institute has a history of strong community outreach through various curricular and co-curricular activities. The institute always incorporates the crosscutting issues of gender, human values, professional ethics, environment and sustainability.

Gender equality

As a co-educational institute, measures towards gender equality are taken for both the genders in all aspects. The college has Women Empowerment Cell which is formed to redress the grievances of the girl students and promote leadership qualities among women faculty. Equal opportunities are extended to boys and girls to participate in co-curricular and extracurricular activities. Women's Day is celebrated every year with enlightening activities in which well performed girl students in various activities inside and outside the college are awarded by an eminent personality as chief guest.

Human Values

The institution has an Anti-Ragging committee with the Principal as the convener. This committee effectively controls ragging against the fundamental human values and rights. The NSS unit of the institution comprises of students volunteers actively performs social service activities by adopting a village every year. Student volunteers of the NSS extend their service in organizing blood donation camps regularly. Tree plantation, training on fire safety measures and other social awareness campaigns are organized in the institution.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Response: Selvam College of Technology (SCT) has effective mechanism to assess and evaluate students' learning process. To nurture the students and to provide experience, the institution offers various types of activities and training programs. First year Induction Program The institution gives an Induction program for first year students to introduce the college atmosphere, infrastructure, and academic regulations. They are provided to develop their fundamental knowledge and to improve communicational skills, technical exposure, confidence level and learning skills. The institution evaluates the performance of the students periodically through Internal Assessment Tests, Assignments, co-curricular activities and end semester examination. After assessing the performance of the students through continuous assessments, the students were identified as slow learners and advanced learners. Programmes for Advanced learners To enrich the advanced learner's knowledge, they are encouraged to do online courses in NPTEL Swayam, Coursera and MOOC Courses. They are motivated by regular appreciation and are encouraged to undertake Value added course, to undergo Inplant trainings and Internship programs. Awareness programs about higher studies and placement training activities have been given to them to uplift their career. Besides, they are encouraged to participate in various competitions conducted by other Institutes. Slow Learners are identified and assisted by providing simplified notes, previous semester question papers, Question Bank and coaching classes. Their performance are monitored regularly. Mentors are giving counselling regularly and assisting them in all aspects.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The institution enhances the learning opportunities and enable the learners to share and transform their knowledge and ideas globally. The Institution adopts student centric learning methodology and follows the curriculum designed by Anna University, Chennai. It provides a blended learning environment that includes traditional classroom education and ICT enabled teaching and Virtual Classrooms. The ICT tools like PPT, Google classrooms, subject related videos, audio systems, online quiz programs, E-Portal and virtual labs are used which helps to improve their academic performance. Students are motivated to do online courses in NPTEL and other online educational platforms. The institution has E-portal facility which has the access to E-learning materials of all subjects. The teachers can structure their course contents and the E-content is posted on their respective subject virtual (Google) classrooms.

The institution has Digital Library facility and motivates the students to practice self learning. Numerous e-journals and ebooks are subscribed to enhance the technical and research skills of students. The institution has a well-furnished language lab and various licensed software for language learning. The institution helps students to enhance their communication skills by improving their listening and speaking skills through the help of Audio-Visual lessons and E-modules.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institution has a transparent evaluation process forevaluating student performance. Continuous evaluation process ismade through internal assessment tests, assignments, cycle tests,mini projects, academic projects, and seminar presentations. Basedon the University's Academic Schedule, the InternalExaminationCell of the Institution prepares the Internal Assessment Scheduleand timetable, and the assessment schedule is included in the academic calendar of the institution. The same is circulated toall the classes and it is displayed in the Department, Commonnotice board, and Classroom Notice board well in advance. TheExamination pattern and the system of internal assessment arecommunicated to the students well in advance by the Internal Examination cell, members of each department, and also by classadvisors. Assessment tests are conducted regularly as per theschedule given in the academic calendar.The institution schedules two IATs and one

model examination. Changes in schedules, question/mark patterns, timings, methods if any, are immediately notified to the students through noticeboards and also through the respective subject faculty members. The question paper is prepared based on Blooms Taxonomy. After reevaluation of answer sheets, the students' performance are communicated to them and intimated to the parents if needed. The students who are with low performance are given personal guidance by the concerned faculty and mentors. The grievances of the students in the assessment tests, assignments and model exams are rectified in time.

File Description	Documents

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

Internal Assessment Since the institution is affiliated with Anna University, Chennai, it follows the instructions laid down by it to conduct internal assessment tests and end semester examinations. The academic calendar is prepared with internal assessment schedule before the commencement of every semester and published. The institution has a well defined Internal Examination Cell which conducts assessment tests and model examinations. The timetable and hall arrangement details are published and circulated to students prior to the assessment tests. The respective subject handling faculty members are instructed to prepare question paper with the syllabus coverage prescribed in academic calendar. Head of the Department and the Academic coordinators examine the question paper and approve the same. The syllabus for each internal assessment test is communicated to students well in advance. The institution follows a proper guideline for handling Examination related grievances for both Internal and External exam. The students' issues are resolved with high priority. In the Internal Examinations, the grievances are reported to internal exam coordinator for immediate action. After evaluation, the answer scripts are issued to the students and they are permitted to self-evaluate their answers. The Internal Assessment marks are transparent to students and posted in the University Portal.

External Assessment The institution has a centralized University Examination Cell which follows the instruction and regulation issued by the University. It conducts the end-

semester examinations according to the schedule and timetable given by the University. The review and revaluation procedure is followed to rectify the student mark related issues.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The institution follows the curriculum designed by Anna University, Chennai. The University has clearly stated the Programme Outcomes (POs) and Course Outcomes (COs) for all its academic programs and courses. Every department has defined its own Program Educational Objectives (PEOs) and Program Specific Outcomes (PSOs) in alignment with Program Outcomes described by university curriculum. The institution follows 12 Programme Outcomes, 2-4 Program Specific Outcomes and 5 - 6 Course Outcomes. COs and POs are framed by the subject faculty member, Course committee and Head of the department along with subject experts. During Course committee meetings and regular meetings, the faculty members are assisted to achieve the course outcomes with effective teaching methods. The faculty members prepare the lesson plan, internal assessment question papers, quiz activities and experimental activities to attain their respective Course Outcomes. The Program Outcomes (POs), Program Specific Outcomes (PSOs) and Course Outcomes (COs) are well defined and stated in the institution website, Department, laboratories and in lesson plan of each and every course in all the academic programmes. Internal assessment question papers are prepared with the respective COs to ensure the POs and COs are mapping. The students are clearly made known about the COs of the respective subject during the course's syllabus introduction and in all internal assessment tests.

Upload COs for all Programmes (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The performance of the students is measured through the CourseOutcomes mapped with Programme Outcomes and Program SpecificOutcomes. The Program Outcomes and Program Specific Outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect assessment methods. Direct Assessment includes internal assessment tests, model exam and end semester exams. Indirect assessment includes assignment and quiz activities. The assessment schedule is prepared in advance and notified to the students. The assignments were given to students after completion of the prescribed syllabus coverage. The Principal, Head of the department and Academic coordinators monitor the execution of the respective courses of the faculty members and their timely completion of the syllabus to achieve the outcomes of the course and Programme. Any changes/deviations and grievances are discussed in regular meetings and in course committee meetings and rectified. A detailed lesson plan for each course with its objective and outcomes is prepared and get approved from Head of the department before the commencement of the classes. The final outcome of the course is evaluated from the performance of the students and that is analyzed at the end of each semester examination. The performance is evaluated by forming matrix of POs and COs with the correlation levels: 1. Slight (Low) 2: Moderate (Medium) 3: Substantial (High)

3.2 - Innovation Ecosystem**3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge**

Selvam College of Technology has formed an ecosystem for research, innovation, collaboration, and entrepreneurship by developing desirable human resources, taking initiative for the creation and dissemination of knowledge, and establishing state-of-the-art infrastructure. Students are encouraged to actively involved in the application of Technology for societal needs. Necessary support is provided for Documentation, Publication of Research Papers and also for obtaining patents. Awareness meets, workshops, seminars and guest lectures on Entrepreneurship are organized. Students are provided

opportunities to directly interact with outstanding entrepreneurs excelling in their field.

The College has established a Research Wing, Entrepreneurship Development Cell (EDC), and Institutional Innovation Council (IIC) to promote innovation and entrepreneurship activities. The outstanding project ideas are identified and encouraged to participate in MSME, SIH 2023, and submit their ideas and projects to funding agencies like MSME, DST, AICTE, TNSCST, and IIC. Through this, we conduct many events about intellectual property rights for our students, and our students have filed more than 15 patents. The College has recognized Research Centers in the departments and this would be an added advantage to the students to develop their Prototypes. Also, our faculty members received research funds from DRDO, DST, AICTE, SERB, TNSCST, IIC, etc.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The college organizes a number of extension activities to promote the institute-neighborhood community and sensitize the

students towards community needs. The students of our college actively participate in social service activities, leading to their overall development. The Extension activities are carried out through NSS cell, Special initiatives by the Institute and departments. Institute has registered NSS unit, which takes the responsibility of organising community based activities such as, Tree Plantation, Cleanliness and eye checkup campaign in local villages, Awareness programs on government welfare schemes like Swacch Bharat, Drug abuse, Road safety, Gender issues, Lake and campus cleaning. The Women Empowerment Cell (WEC) and Voice of womanhood committee aims to empower girl students and women faculty through various initiatives. Under its banner, invited talks are delivered by leading career women from various walks of life to create awareness on safety, health, career, and self-employment aspects for village women. Women's Day is celebrated as part of the Gender Sensitization Program. The World Cancer Awareness Day program was conducted to raise awareness among students. Involvement in these extension and outreach activities helps the students develop critical thinking skills and time management. Working outside the college campus and with diversified social groups of people allows students to gain more self-confidence, autonomy, and appreciation for others. These activities help them to become good leaders and well-mannered citizens.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Library Automation Software -Lips i Net 5.0

The Library automation Software Lips i Net 5.0, contains 3 modules, viz Library Main, Library OPAC AND E-Gate Register

1. Library Main Software helps not only to key in the master data of Books, Periodicals, Back Volumes and Library users but also do transaction and taking reports in various formats. Stock verification can be done with the help of latest tools like barcode scanners, RFID etc, for which the feature are in built in the software. Displaying photographs and digital clips are available.

2. Library OPAC (Online Public Access Catalogue) is a separate module, which helps the user of the library to search the Title, Author, Publisher, and Acc. No etc., available in the library. User can reserve the books and or cancel the reserved the books. They can check out his dues and over dues in the library. Provisions for downloading the digital clips and taking printouts of some contents are available. Library resources are made available for the users with some restrictions.

3. E - Gate Register manages the entry and exit of users while scratching his id card to record his visit in the Library.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

1. Selvam College of Technology (SCT) has an effective Student Academic Council with academically strong students as its members. It operates with a sense of responsibility in dealing with the student concerned activities. 2. The student council consists of students from all departments to get unbiased opinions and suggestions in various decision-making and to formulate strategies for the overall curricular, co-curricular, and extracurricular development of students. 3. The Student Academic Council gets feedback on the teaching-learning process from the departments to improve quality. 4. The hostel Student Welfare Committee looks after the feedback on the Hostel and Amenities. The quality and hygiene of the hostel are monitored by student representatives along with the other nominated faculty members. 5. Student clubs like Hobbies club, Hackathon, and ProductDevelopment cell are actively encouraged in SCT for the welfare of students. 6. In addition to that, the students are involved in organizing Seminars, Workshops, symposiums, Technical fest, Cultural fest, and Annual sports fests. 7. The Alumni Association is in place to strengthen the relationships among alumni. 8. The Association plays a vital role in various institutelevel committees including the Women Development Cell, Anti-ragging Committee, Grievance Redressal, and IQAC committee.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

1. The Selvam College of Technology has a registered Alumni Association. The Alumni Association is enrolled in the Namakkal registration office under the Tamilnadu society's Registration Act, 1075 and the registration number is SL.NO:25/2015. 2. The college website <http://selvamtech.edu.in/alumni> holds the alumni association details. 3. The outgoing students register their membership in the alumni association. 4. SCT conducts alumni meetings every year. Our prominent alumni are working in various fields. Hundreds of alumni members of Selvam College of Technology have been serving worldwide, and occupy eminent posts and positions both in the government and private sectors. 5. The notable alumni share their professional experiences with students and motivate them through various activities like delivering guest lectures, and workshops on career prospects and the current scenario of the industry. 6. The alumni are regularly involved in conducting preplacement sessions for undergraduate and postgraduate students. This helps the students to be updated with current industrial requirements and boosts their confidence to mold themselves toward their future. 7. The alumni used to have a network with the juniors with the help of

social media like Twitter, WhatsApp, Telegram, Facebook, and Corporate mail.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Selvam College of Technology, Namakkal, was started in Namakkal town with the aim of preparing educators with glorious knowledge in the field of science and technology along with morality, self-confidence and innovative thoughts.

Nature of Governance: The governance of the institution is effected through the Governing Body of the College. It act as the apex body, which comprises Chairman, Secretary, Principal and nominees from AICTE, DOTE and external experts. All the academic affairs are monitored through the apex body of the College and Finance Committee. Administrative sections include Executive Director, Principal, IQAC team, Heads of the Departments, Academic Coordinators, Faculty members, Various Committee in-charges and Office Superintendent.

Vision: To be a world class institute in technical education through innovations and research in various Fields of engineering and technology by creating highly competent technocrats with moral qualities.

Mission:

SCT will endeavour to:

- Be a focal point in engineering education for emerging technologies in accordance with societal contexts.
- Be an engineering institute fostering research and development, evolving innovative applications of technology, encouraging entrepreneurship of students with moral qualities.
- Empower the students from various socio economic strata.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	View File

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Professional Management approach is used to manage the Institution. When it comes to academic and administrative issues, the Professional Management programme aims to put the concept of innovation into practice. Decentralization and participatory management are constantly championed by the institution. Management, Governing Council, Principal, Executive Director, IQAC Team, Heads of the Department, Faculty Members, NAAC Committee, Various Other Committees, Administrative and Non-teaching Staff and all other stakeholders interested in decentralisation and participative management contribute to improving the quality.

1. Management: The Institution emphasises a decentralised and participatory management that includes all types of stakeholders during the decision-making process.

2. Executive Director: ISDTP, IDC and all other academic and non-academic activities are regularly monitored and guided by the direction of Executive Director.

3. Principal: The Governing Body delegated all academic and operational decisions based on policy to the Internal Quality Assurance Cell (IQAC), which is chaired by the Principal, in order to realise the institute's vision and goal.

4. Administration: The Institutions backbone is administration. The college administration plays a critical role in the establishment and execution of policies, programmes and

projects that are aligned with the college vision and mission.

5. Departments: In order to demonstrate their competence, faculty members serve on various committees/cells and are given opportunities to lead various initiatives.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

: The Management, Governing Body, Executive Director, Principal, IQAC has framed the College Organizational Structure.

The College Management is the highest decision-making body and it is in continual contact with the Executive Director and Principal on all topics relevant to the institutions smooth operation.

Governing Council members meet once in a year to review financial, infrastructural, faculty recruiting, and other topics concerning the College overall development.

Academics, Workload, Timetable, Admissions, Discipline and Codes of behaviour, Curricular and Extracurricular parts of the college are all handled by Head of the Institution.

The College also maintains an Internal Quality Assurance Cell (IQAC) that aims to achieve quality, improvement and maintenance of goals. The IQAC is responsible for keeping track of the institutions internal quality.

College Committees: Various committees have been formed to plan, prepare, and execute academic, administrative, and extracurricular activities. The Convenor and members of each committee make up the committee.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Selvam College of Technology has Self-Appraisal Policy for Teaching Staff: The SCT has developed the following objective assessment system for improvement. The three level evaluations

involve:

This performance appraisal system will be followed from the academic year 2017-2018.

The intention of a performance appraisal policy is to ensure that the workplace is focused on results. It helps the employees to achieve their goals and acts as a reward for their contributions to the organizations success. Selvam College of Technology strives to improve the academic training and research environment on a regular basis.

This is achieved not only through better infrastructure but also through the implementation of effective teaching and learning methodologies. To determine the effectiveness of the inputs provided by the SCT, it is essential to determine whether the users of such facilities are satisfied and receiving the intended results from the initiatives undertaken.

Selvam College of Technology has Self-Appraisal Policy for Teaching Staff:

The SCT has developed the following objective assessment system for improvement. The three level evaluations involve:

- Result Percentage -(50)
- Contribution to Institutional Growth- (10)
- Contribution to student development - (15)
- Contribution to R &D - (25)

The teaching staff has gained the knowledge and experience with the result of the following assessment policy.

- Teaching style and abilities with the feedback from the students.
- Improvements in teaching resources and methodologies are possible.
- The results of the research and the work's relevance to current advances in the respective areas.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Internal Audit:

Copy of Budget proposals, invoice and vouchers, and supporting documents of every purchase /event is maintained in the respective Departments and the original documents are sent to the accounts Department of the Institution. The accountant of the institution verifies every document, observations if any, is brought to the notice of HODs for immediate rectification. The details of all the expenditures / transactions of the entire financial year is consolidated and maintained at the accounts office and submitted for external audit at the end of the financial year. Appointed Chartered Accountant's team members visit the institution quarterly and verifies all the bills, vouchers, etc.,

External Audit:

The external audit takes place annually after the completion of every financial year. The Chartered Accountant, who works as an auditor, is appointed by the Management. The bills and vouchers of the revenue expenditure are checked. The vouchers, records and capital expenditure of the concerned Departments are checked and verified.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college mobilizes funds for its regular activities and development from different agencies and individuals. The mobilized fund is optimally used by the college.

Major sources of institutional receipts/funding

- Fees from students for regular and add-on courses.
- Mobilised from various government and non-government sources for the purpose of research projects.
- Various government and autonomous bodies are approached for sponsorships to organize National, International conferences and workshops.

Convenors of various committees and Faculty Members are invited to indicate their requirements at the start of the session to ensure effective and optimal use of available resources. This is to ensure that laboratories, libraries, computing facilities, classrooms, and equipment facilities are maintained and upgraded on a regular basis. Budget is produced and submitted to the Competent Authority for approval based on the requirements submitted by Committee Conveners and Faculty Members. The accounting section and the Principal will process all financial records and bills. Throughout the process, transparency is maintained, and allocated funds are used to their full potential.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC is responsible for maintaining the quality of the college administrative and academic operations. The teaching faculty is encouraged and motivated to build a scientific temper in order to disseminate a research culture among the students and to make them aware of present and future challenges and opportunities. This is accomplished by sharing new research findings in their respective domains with the students on a regular basis.

Strategies: IQAC shall evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society. Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and functioning of the support structure and services.
- Research sharing and networking with other institutions in India and abroad.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Two institutional reviews and implementation of teaching learning reforms facilitated by the IQAC are: 1. Academic Review 2. Teaching and Learning reforms Academic Review: Every semester, the Academic and Administrative Audit (AAA) is the major teaching-learning review. The AAA assesses how well teaching practises, curricular, and co-curricular activities

meet institutional planning, execution, and record-keeping standards. There is uniformity in the conceptualisation of the structure and methods of academic and extracurricular routine in every academic session since the introduction of the AAA. Student interaction in class, engagement in extracurricular activities, and performance on internal assessments and end-of semester exams are all evaluated in the review of learning outcomes. At the audit meeting, each department delivers a report on student academic performance. Teaching and Learning reforms: The IQAC at Selvam College encourages and ensures continual reforms in teaching-learning methodologies. It lays impetus on the adoption of ICT in teaching practices.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Specific facilities provided for women in terms of:

(1) Safety and security

(2) Counseling

(3) Common Rooms

(1) Safety and security

Safety and security for all students, teachers, non-teaching staff and the visitors is the first priority. To ensure a safe campus and a secured environment the college has embarked upon the following initiatives:

A senior and experienced security guard will monitor the environment.

The entire campus is under CCTV surveillance.

Medical Unit with free medical check-up for the students by eminent Doctors.

Separate washrooms for the male and female teaching and non-teaching Staffs.

(2) Counseling

The College is willing to nurture a healthy environment, both physical health and mental health. A separate Career Counseling Cell has started. The counseling cell makes an effort to create awareness regarding their, psychological and physical conditions.

(3) Common Rooms

The College has a girl's common room. There are separate toilets for gents, teaching staff and students. Specific cleaning schedule is given to the house keeping people and followed meticulously. The girl's hostel is managed by the hostel committee, constituted by the staff council of the college and executed by the warden in consultation with

principal of the college.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Methods for Waste Management

Selvam College of Technology predominantly focuses on reducing wastages which are hazardous to the environment. The following waste management systems concentrate on recycling and reducing the wastages.

Solid waste management

Good conditioned Bio degradable and Non-Bio degradable dust bins are placed in and around the college campus to collect and dispose the wastages. Food wastages from hostels and canteen are collected in a proper container and giving it to farms and poultry besides using it to produce biogas.

Liquid waste management

The campus has a well-constructed drainage system to collect and discrete various liquid wastes. The chemical liquid waste from science laboratories passes through a concealed pipe line to drainage and other liquid wastes will be recycled properly and utilised for the gardening and other purposes like used to produce biogas.

Biomedical waste management

These biological wastes must be adequately handled to treat or eliminate the waste hazards are treated by autoclaving, and hot air oven treatment is followed in our campus to achieve this goal.

E-Waste Management

The Campus operates under a sustainable electronics stewardship policy, emphasizing reuse and minimizing waste generation.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

We trust in unity in diversity that's why our students respect different religions, languages, and cultures. We feel the college is our second home and all faculty members are like family members. We greet and wish each other at different festivals and invite them to have a feast to get introduced to one's culture to have amicable relations and to maintain religious, and communal harmony. The diversity in India is unique. On account of that, SCT encourages students to participate in various programs. Through these programs, students get acquainted with the different cultures of our nation and help to develop tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic, and other diversities. This also creates an inclusive environment in the college and society. Programs like Women's Day, Yoga Day, Pongal Celebration, Ayudha Pooja Celebration, Holi, Deepavali, Ramzan, and Christmas are celebrated in our college. This provides an inclusive environment to interact and perceive different cultures and different religious festivals. Institution strictly follows ethical rules for students and separate ethical rules for teaching and non-teaching staff to

treat other people irrespective of their background, culture, religion, and linguistics.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Selvam College of Technology (SCT) celebrates Independence Day on 15th August every year in a grand manner in order to pay tribute to our martyrs and freedom fighters. The grand day starts by God of Honor to chief guest followed by flag hoisting and march-past.

Every year SCT celebrates Republic Day on 26th January respectfully in order to perceive the importance of constitution. The day starts by God of Honor to chief guest followed by flag hoisting and March-past. The chief guest gives keynote address to the students and staff members.

On 5th September, SCT celebrates Dr. Radhakrishnan's birthday as Teacher's Day. The students of SCT conduct program and events for all staff members to pay their respect and tribute toward the profession of teaching.

Every year on 15th September, SCT celebrates Engineers Day to pay remembrance of M Visvesvaraya for his various contributions to the field of engineering and being a pioneer of education. On that day, SCT conducts various programs and motivates students.

Yoga Day celebrates on 21st of June in SCT. During 15 days of induction program the college offers yoga classes to students and encourages them to learn yoga to lead a good healthy life.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice

1 . Title of the Practice Web Enabled Learning Resources through Google Classroom Best Practice

2 . Title of the Practice News in Education (NIE)

File Description	Documents
Best practices in the Institutional website	<p>Best Practice1. Title of the Practice Web Enabled Learning Resources through Google Classroom 2. Goal Online learning Resources through Google classroom are designed to improve the students to stay on top of the daily updates of the curriculum, thereby the students can promote rational thinking and the interaction leads to attain effective classroom. Individual instructor of various subjects will update and upload their course materials and assignment questions in the Google classroom. 3. The Context The college used website-driven learning resources to uplift the students to update on a daily basis. For every subject, the subject instructor will upload the course materials, presentations, question bank, based on the marks in the units' notes, and assignment questions will be updated in the Google classroom. Students can access</p>

Google classroom anywhere. As effective learning measure, the subject instructor maintains a forum to prepare students for better understanding through workshops and seminars. The subject instructor will give various topics based on the basic concepts in every subjects and curriculum. In this note, self-assessment like multiple choice questions Google forms questions are assign to students through a Google classroom. The students should upload their answers within given time of the subject instructor. For every student, the subject instructor values their answers and will give score for all the students. So that they can improve the academic writing as well as the content of the subject. 4. The Practice

For example, in an engineering curriculum, digital signal processing is an analytical subject that needs more attention to understand basic concepts and facts. Materials are uploaded to the Google classroom for students to use conveniently. Notes and tasks taken in the lesson will be updated on the portal, after which the corresponding tasks will be completed. Students periodically solve this problem, and students will discuss the same during class hours. Faculty members routinely posted hypothesis-based mathematical transformations and methods for solving them in a discussion forum, inviting students to discussion and tracking student perceptions. Students mainly discussed the application of mathematical transformations and the basics of signals and systems. 5. Evidence of Success Considering the case of digital signal processing in the practice of using web-based resources for teaching, which includes many analytical concepts and problems, best practice has been very successful. Student feedback has been accepted to ensure the success of this best practice. The students felt

	<p><u>that the convenience of collecting course materials anytime anywhere was more pronounced. 6. Problems encountered and resources required The effective use of this practice by the introvert student is periodically monitored. 7. Concluding Notes The SCT has determined that using web-based learning is a highly successful way to encourage students to read and prepare for a subject, thereby freeing up more classroom time for active learning exercises.</u></p>
Any other relevant information	<p><u>Best Practice 2 1.Title of the Practice News in Education (NIE) 2. Goal ? To strengthen the reading practice among the students. ? To improve the overall skills development of students. ? To help students develop critical reading skills by teaching newspaper reading skills. ? To Increase students' confidence in participating in intercollegiate quizzes. ? To develop a better understanding of your community, state, nation, and world. ? To develop your critical thinking, reading and writing skills. ? To Refine and develop the decision-making. ? To Improve math and problem solving skills 3. The Context News in Education is a long-standing program that SCT uses to voluntarily bring up-to-date "real World" learning tools to dormitory students. Newspapers were provided to engage students, stimulate creativity, improve reading skills, and enhance academic performance. SCT focuses on encouraging students to read newspapers, learn about their community and lead more successful lives, and be informed citizens 4. The Practice Students who are active in the NIE program have done well and performed excellently. Other positive results of this practice: Students performed better on standard reading tests. ? Helping students improve their English fluency</u></p>

and communication skills. ? Regular use of the NIE program has positively influenced students' attitude towards reading. ? Young people have a desire to read with practical and interesting pedagogical ideas. ? The NIE has helped students develop the reading skills they need for life and they can correlate the subject to the real world. ? It raises student awareness in the fields of science, technology, globalization, economic situation, world affairs, sports, public policy, employment, higher education, and public affairs. ? Increased confidence when reading aloud and public speaking ? Evidence of increased social awareness and motivation to learn ? Evidence of improved academic performance of the students ? Evidence of use correct pronunciation of words and sentence in the given title. Newspapers are informative and help students compete with their peers in other metropolitan areas for better coverage of current events. 5. Evidence of Success A large number of students from rural areas have taken advantage of the NIE program. The reading skills of students have significantly improved. The results of the above practice increase the comfort zone of fluency in English and generate a positive response. 6. Resource Required A facilitator was assigned to conduct news analysis and discussion sessions among the students 7. Concluding Notes Reading newspapers is a good practise that places a lot of educational values on it. It carries information on politics, economics, entertainment, sports, business, industry, trade and commerce. Through this habit, it will not only enhance students' knowledge of general information, but also improve their word power, proficiency and vocabulary.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Establishment of Continuous Ambient Air Quality Monitoring Station (CAAQMS):

Tamil Nadu Pollution Control Board (TNPCB) is interested in establishing Continuous Ambient Air Quality Monitoring Stations (CAAQM) in Tamilnadu with the participation of the Educational Institutions at 25 locations. It is identified jointly by the TNPCB and Educational Institutions. On account of that, TNPCB has given authorization to Selvam College of Technology (SCT) in Namakkal district for the establishment of CAAQM. In this regard, MoU has been signed on 21st of January 2016 in the presence of District Environmental Engineer, Mr. P. Manimaran for the minimum period of 5 years which will be renewed by another 5 years or more as per the PWD rates at the option of TNPCB.

The instrument has been installed near the main entrance of SCT for the purpose of monitoring air quality in and around the college campus. The station measures the air quality of a radius of 5 km distance and evaluate a total of 16 parameters. The data from the station will help government agencies inform the public regarding the current level of air pollution, formulate strategies, etc., SCT provides telephone connection and high-speed internet connection to the instrument for the transmission of data from this station to TNPCB, Chennai.

7.3.2 - Plan of action for the next academic year

Academic: Modernization of more classrooms to e-classrooms using ICT tools. To increase the pass percentage of students & Go for Autonomous .To upgrade the Library infrastructure. Co-curricular activities: To conduct the skill development courses for getting placements in the Software and core domain. To motivate the students to participate in the NPTEL & Other MOOC courses. Research: To create Campus startups. To submit proposals to funding agencies for research and modernization of Laboratories. Publication of more research articles in UGC-

approved Scopus and SCI, Q1/Q2 Journals. Through the SelvamHackathon Cell, to motivate the students for innovation and product development. Sports: By providing very high-level sports facilities to create national level and international level sports participants. Industry Institute Interaction: To sign MOU with industries to get Industry Sponsored Projects and internships, Training students. We are improving their communication skills by training them for perfection in LSWR. To conduct more awareness programs on Entrepreneurship for Students. To improve placement ratio with the help of Alumni. We bring industry people to our institution and make them interact with the students to create awareness about the expectations of the current industry. Accreditation: To get a higher grade in the second cycle of NAAC accreditation in the year 2028.
